- Flexible movement based on tracker inputs
- Capture missed bird species
- Wrap-up session & group discussions
- Dinner & overnight stay

DAY 05

DEPARTURE

- Early breakfast
- Checkout
- Drive back to Bagdogra
- Tour ends with unforgettable Himalayan memories

KEY HIGHLIGHTS

- Red Panda tracking with expert trackers (5 days)
- Rich Himalayan birdlife (Laughingthrushes, Fulvettas, Rosefinches, etc.)
- Panoramic views of Kanchenjunga & Everest range
- Exclusive 2 safari vehicles for flexibility
- Perfect for serious wildlife photographers

IMPORTANT NOTES

- This is a high-altitude & physically demanding trip
- Red Panda sightings require patience (4–5 days tracking)
- Weather can be unpredictable in November
- Basic mountain accommodation (focus is wildlife, not luxury)
